Weighting

Part II, Part III, and Part V are weighted to indicate the relative importance in overall performance appraisal summary. Weighting provides a consistence process for assessing job performance. The weights for each part are:

- ◆ **Part II – Job Responsibilities – Technical Competence/Leadership Score Card- 40%**
- ◆ **Part III – Policy Compliance and Organizational Behavior – Customary Standards - 40%**
- ◆ **Part IV – Goal Accomplishments and Expected Goals - 20%**

The total rating points for each of the parts are used calculate the overall performance score. The performance score determines the employee's merit increase percentage.

Performance Scoring

How to determine the total Performance Score?

	A. Total Points	B. Total Possible Points	C. Total Weight Percentage (a ÷ b = c)	D. Assigned Weights Percentage	E. Total Percentage Score (c X d = e)
Part II – Job Responsibilities - Technical Competence/ Leadership Score Card				.40	
Part III – Policy Compliance and Organizational Behavior- Customary Standards				.40	
Part IV – Goal Accomplishments				.20	
Total Percentage Score (Total Col. E)					

Step I: Total the number of points achieved for (1) Part I and (2) Part III and (3) Part IV.

Step II: Determine the Total Possible Points for each part.

Step III. Divide the total points by the Total Possible Points for (1) Part I and (2) Part III and (3) Part IV. You will arrive at the Total Weight Percentage.

Step III: Multiple the Total Weight Percentage by the weights assigned to each part.

Step IV: Total the Percentage Scores for each part to achieve the employee’s Total Percentage Score.

Step V: Look at the Total Percentage Score Range and the corresponding merit increase percentage. The employee will receive this merit increase percentage for their annual performance.

NOTE:

- ◆ **It is not necessary to complete Step V for the 90-day performance evaluations. A merit increase is not given for this evaluation.**
- ◆ **Employees must meet 50% or more of the total possible points in Part II, Part III and Part IV to receive a 4%, 5% or 6% merit increase.**
